Hi Santhoshi,

I have the privilege to inform you that you have been chosen as a 2017 Women in Photonics Travel Grant Recipient.

The IEEE Women in Photonics initiative established this travel grant program to encourage student and young professional participation from women members attending the Society's flagship conference, i.e. the IEEE Photonics Conference. This year the conference is taking place October 1-5, 2017 at the Hilton Orlando Lake Buena Vista, Florida USA.

There will be professional development activities throughout the conference week that you will be encouraged to attend, i.e. IEEE Photonics Fund Lunch, Job & Internship Fair, and the exclusive President's Reception.

You will receive \$2000 USD towards travel, lodging expenses and registration to the IEEE Photonics Conference.

**In order to issue you the funds in a timely manner**, please complete and return the attached *W8 Form* and *Form of Payment document* to me ASAP. I will need this information in order to issue you a check or wire.

Congratulations again!

All the best,  
Lauren
