Dear Sir / Madam,

Sub: Invitation for Electrical and Electronics Engineering Department National level workshop –reg.,

The Department of Electrical and Electronics Engineering of Sriram Engineering College Organizes a National Level Workshop on “Recent Advancements in IoT” on 2018.

The workshop is planned in such a way that the students will experience a new dimension of thinking in the recent advancements in Internet of Things (IoT) to increase their knowledge for their future research and technology development. This workshop will be useful for Research scholars, UG and PG students of EEE, ECE, CSE and IT to share their experiences and developments in Electrical and Electronics Engineering field using IoT.

So we solicit your co-operation for circulating the attached brochure to the concerned department students and research scholars and to encourage them to participate.

Thanking you in anticipation,

With Best Regards,

Dr.P.SARAVANAN
