

FEEDBACK ANALYSIS OF STAKEHOLDERS AND ACTION TAKEN REPORT (2023 -2024)

Feedback was requested from following stakeholders

S.No	Stakeholder	Count
1.	Students	60
2.	Teacher	35
3.	Alumni	100
4.	Employer	10
5.	Parents	40

Feedback Analysis of Stakeholders and Action Taken Report

S.No	Stakeholder	Feedback	Action Taken
1.	Students	Need more exposure to NPTEL courses for knowledge development.	Students have been made to take up NPTEL course certification.
2.	Teacher	Students should be encouraged to prefer electives that are relevant to the specialization streams and to the technological advancements.	The Elective subjects are allocated based on the choice made by the students.
3.	Alumni	Students must undergo training in current emerging technologies.	PEP-C is providing training to the students on training in current technology such as 5G communication, Data Science, etc.
4.	Employer	Need more alumni interaction with our college students.	A meeting with our Alumni was organized and further guest talk by elite alumni was conducted to motivate and provide career guidance to our students.
5.	Parents	Students should improve their experiment-oriented learning skillsets.	SEERA programs are conducted for our students to enrich their skills oriented towards the company expectations.
6.	Parents	Extra-curricular activities of the student should be encouraged.	Students are motivated to participate in national level contests like Smart India Hackathon and ICT Innovator Awards.

Quality of delivery and assessment	54.36	31.18	14.47	0.00	0.00

Students' Feedback

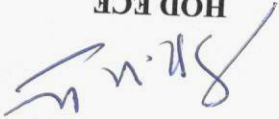

The college has obtained feedback on curriculum from students through questionnaire which contains the following major aspects such as Course content & Organisation, Interactive participation, Learning environment & teaching methods, Learning resource and Quality of delivery and assessment. Totally 100 students gave their feedback on curriculum for the academic year 2022-2023. 58.56% of the student population agreed that the allocation of course content is appropriate in relation to the level of course content is very much appropriate to the programme. 56.84% of the students strongly agreed that the interaction by teachers with students are more feasible and reliable. Around 57.38% of the students agreed that they are equipped with necessary teaching methods required for their programme. It is observed that 54.40% of the students agreed that the provision for learning resource in library was adequate and appropriate with their respective field of specialization areas. The feedback revealed that 54.36% of them are strongly agreed about the quality of delivery and the internal assessment for the specified programme. Some students are suggested that it would be helpful if the certification course with hands on training can be included as a part of the curriculum.

Feedback analysis report

From the analysis of the students' feedback it is revealed that they are satisfied with the curriculum framed. It is reported by the students that the teaching methods are more feasible.

Form-II
TEACHER'S FEEDBACK ON CURRICULUM - ANALYSIS
Academic Year: 2023-24

Grade : 5-Excellent, 4-Very Good, 3-Good, 2-Satisfactory, 1-Not satisfactory (Use the following scale to grade the Courses)

S. No	Details	5	4	3	2	1
1.	Curriculum is based on the needs of the stakeholders	74%	24%	2%	0	0
2.	Course objectives and Outcomes of the course are well defined and clear to faculty and students	63%	25%	7%	5%	0
3.	Sufficient number of prescribed books are available in the library	84%	16%	0	0	0
4.	The course has good balance between theory and application.	47%	15%	21%	17%	0
5.	The course has made me interested in the subject area.	47%	31%	14%	8%	0
6.	The course has increased knowledge potential in its application	56%	26%	18%	0	0
7.	Book facilities and other amenities like projectors, softwares etc., are available in the department	56%	36%	8%	0	0
8.	Tests and Examinations are conducted at appropriate time with proper coverage of planned units according to the college working schedule / academic schedule of Anna university.	77%	18%	5%	0	0
9.	I have the freedom to adopt new techniques of teaching such as seminar presentations, group discussions, demonstration and students' participations.	45%	12%	30%	13%	0
10.	Syllabus contain necessary technical skills for the students to face the industry needs	57%	22%	21%	0	0
11.	The electives offered are relevant to the specialization streams and to the technological advancements.	35%	20%	33%	12%	0
12.	The laboratory experiments enhance the students in understanding the concepts and enable them to relate theory to practice (Experiential learning).	62%	14%	21%	3%	0
13.	Facilities are provided for teaching and to adopt current trends / research.	45%	43%	11%	1%	0

HOD ECE

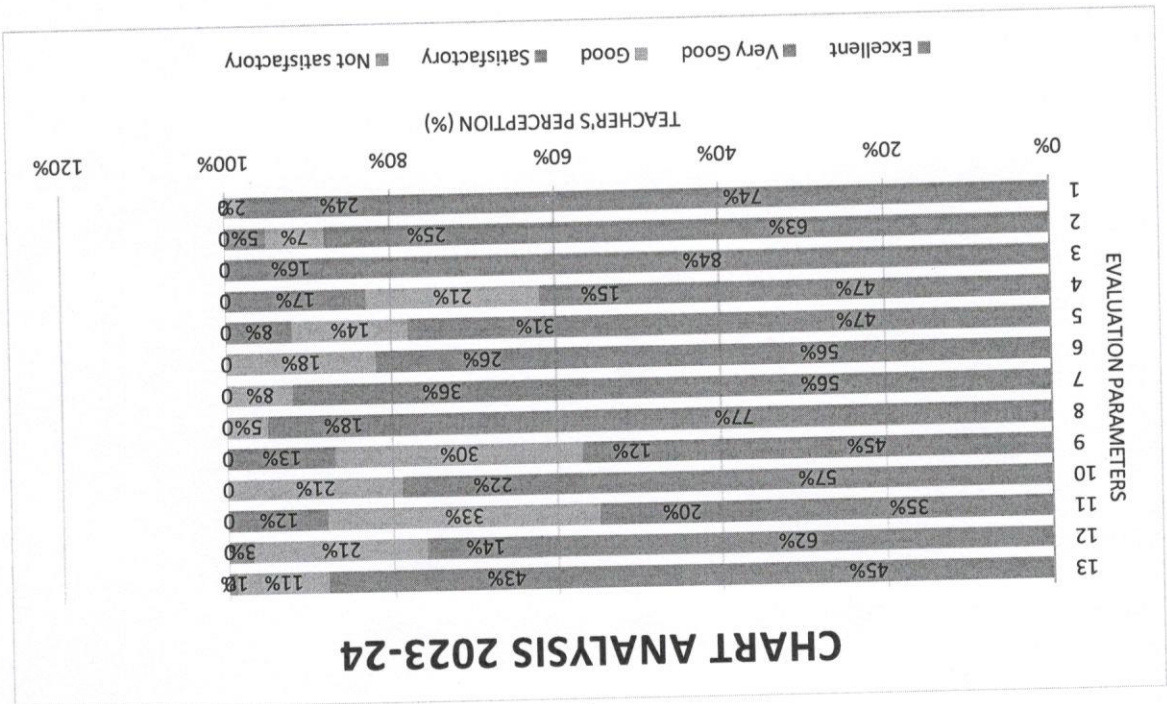

- The analysis report of the teachers' feedback reveals that they are highly satisfied with the framework of the curriculum.
- The suggestions given by them related to specific subjects were noted for further action.

Feedback analysis report:

The College has made it a practice to conduct all faculty meeting, once in the starting and end of every semester, where the ways and means of enhancing the curriculum, academic discipline, Teaching Learning process and Research and Extension activities are discussed. During such meetings, the individual faculty members express their honest opinion on the curriculum; research and extension activities and the same would be debated and discussed. The appropriate suggestions are put forward to the respective councils for implementation. The faculty members get representations in the Board of Studies, Department Advisory Committee and Academic Council, where the staff members are getting ample opportunities to give feedback, on both curriculum and teaching learning process. Based on the feedback obtained, various industrial visits, guest lectures, value added courses, bridge courses and student workshops are organised to fill the gap in the curriculum.

- The library has sufficient number of prescribed books for all courses and for all electives for that matter.
- The examination report of the educators' criticism uncovers that they are exceedingly happy with the structure of the educational modules.
- The proposals given by them identified with explicit subjects were noted for further activity.

TEACHERS FEEDBACK ON CURRICULUM

BATCH : 2020-2024

Parameters	Excellent	Very Good	Good	Satisfactory	Not Satisfactory
Fundamental engineering analysis skill	11	4	3	2	0
Information retrieval skill	10	4	3	3	0
Creative skills	12	6	1	1	0
Team work	12	4	2	2	0
Engineering problem solving skills	12	4	3	1	0
Professional Integrity	14	3	2	2	0
Communication Skills	16	1	2	1	0
Continuing education awareness	14	3	2	1	0
Social awareness	14	2	2	2	0
Professional Development	15	2	2	1	0
Total					0

Analysis Report of Exit survey 2020-2024 Batch

Strength

- Well planned placement training Programs
- Extra care for arrear students through periodic coaching classes
- Very good placements

Weakness

- Need more Industry visits.
- Need more Industry supported courses

ALUMNI SURVEY

Department of Electronics and Communication Engineering

Alumni Survey

Academic Year: 2023-2024

During the academic year 2023-2024, an alumni meeting was held to gather feedback and suggestions for improving the college and department's quality. Alumni expressed their appreciation to the management for providing excellent facilities and modern laboratory equipment across departments, as well as its dedication and support in helping them shape their futures and achieve their goals. They also thanked the Placement and Training department for offering top-notch training in soft skills and aptitude tests, specifically mentioning programs like Skill Rack, AMCAT, and Cocubes. Alumni commended all the teaching faculty for their guidance and motivation, which played a crucial role in their career development and goal attainment. They acknowledged the management for providing resources like the library, ABHS, and industrial trips, which were highly beneficial during their studies. Alumni were grateful for the quality food, timely bus service, and overall college amenities provided. Many alumni were especially appreciative of the support provided to slow learners and students with challenges. They committed to continue their support for the department's overall growth. Below is a summary of the department's overall strengths and areas for improvement

Strengths: -

1. Exceptional facilities and resources
2. Experienced and proficient faculty
3. Strong career guidance and mentorship
4. Robust placement support and success
5. Effective development in communication and interpersonal skills

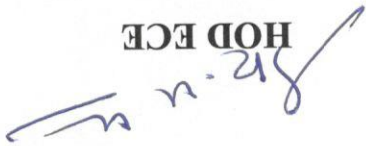

Weakness: -

1. To increase the placement opportunities with core companies
2. Arrangements for more outstation industry visits and educational tours
3. Organization of project competitions and exhibitions
4. Opportunities for placements with companies offering higher salary packages

Feedback analysis report: -

The alumni feedback analysis revealed that all graduates felt proud to be part of St. Joseph's. They expressed gratitude for the management's commitment to enhancing the college and wholeheartedly stated they would recommend St. Joseph's to friends and family.
