### Student's Feedback:

Responses from the College's quantitative and qualitative data showed moderate to high levels of satisfaction with the course content and organization, the quality of teaching and learning technique, and the quality of delivery and assessment. Students felt their teachers were/are informed, skilled, enthusiastic, dedicated, and prepared, according to a number of responses. The willingness and capacity of teachers to use efficient teaching strategies and integrate a variety of learning tools, technology, and materials into their lessons to improve student learning were also frequently mentioned. According to the students, the library's resources are sufficient and relevant to their field of study. Additionally, students stated that teachers treat them symbiotically, provide them timely and thorough feedback on their academic work, and are accessible to help when needed.

### Teacher's Feedback on Curriculum:

Holding meetings once at the beginning of each semester, the college has established a practice of gathering teacher input on a range of topics, including the curriculum, the teaching and learning process, industry expectations, student placement, research, and extension activities. On all of the aforementioned topics, educators are free to voice their genuine opinions. Industrial visits, value-added courses, guest lectures, and student workshops are planned in response to the comments received.

### Feedback Analysis Report:

- The analysis showed that the teachers are fully satisfied with the framework of the curriculum.
- Suggestions given by teachers related to their subjects are noted down for further action.
- Students can be trained on programme languages to cope up with recent requirements from the industries

### Strength:

- ✓ Ambient Classrooms
- ✓ Communication is good/Asking permission for everything
- ✓ Discipline
- ✓ Good carrier development
- ✓ Good food, has enough resources, organizing webinars.
- ✓ Good infrastructure
- ✓ Good institute
- ✓ Good knowledgeable faculty
- ✓ Good library facility
- ✓ Good teaching methods
- ✓ Infrastructure, teaching, accommodation
- ✓ Institution helps us to learn better by motivating us
- ✓ Strength- lab resources and staff
- ✓ Strength of the department is good teaching, friendly professor's and nothing in weakness
- ✓ Dedicated staff members
- ✓ Inplant training is more useful for gaining industrial oriented knowledge
- ✓ Satisfied with placement training programs

### Weakness:

- ✓ Need more value-added courses in recent technologies
- ✓ More placement needed in core companies
- ✓ Need some extra curriculum activities for all students in a class as a daily basis
- ✓ Can arrange more motivational talk between placed alumni and students to get more insights about the industrial scenario
