## FEEDBACK ANALYSIS OF STAKEHOLDERS AND ACTION TAKEN REPORT (2013 -2014)

Feedback was requested from following stakeholders

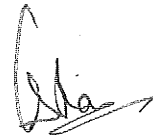

S.No	Stakeholder	Count
1.	Students	60
2.	Teacher	27
3.	Alumni	80
4.	Employer	10
5.	Parents	40

### Feedback Analysis of Stakeholders and Action Taken Report

S.No	Stakeholder	Feedback	Action Taken
1.	Students	Rapport between faculty and students should be strengthened.	Mentoring Scheme is introduced to establish a good rapport between faculty and students
2.	Teacher	Attendance and progress of the students are to be communicated to their parents.	Attendance and progress of the students are informed to their parents for continuous monitoring and betterment.
3.	Alumni	Mini projects should be encouraged.	Students are encouraged to do mini-projects utilizing lab infrastructures and are evaluated by the corresponding lab-in-charges.
4.	Employer	Students are good in soft skills and fair in programming skill and also require improvement in technical knowledge.	Value Added Courses are offered to the pre-final year students. Training on Technical, soft skills, Group Discussion were also arranged to the students.
5.	Parents	Students need more guidance for higher studies.	ABHS organizes lot of motivational talks by delegates from various premier institutions to promote students to take up higher studies in foreign universities.

## **Students' Feedback**

The college has obtained feedback on curriculum from students through questionnaire which contains the following major aspects such as Course content & Organization, Interactive participation, Learning environment & teaching methods, Learning resource and Quality of delivery and assessment. Students gave their feedback on curriculum for the academic year 2014-2015. 75% of the students population agreed that the allocation of course content is appropriate in relation to the level of course content is very much appropriate to the programme. Majority of the students strongly agreed that the interaction by teachers with students are more feasible and reliable. Around 74% of the students agreed that they are equipped with necessary teaching methods required for their programme. It is observed that 75% of the students agreed that the provision for learning resource in library was adequate and appropriate with their respective field of specialization areas. The feedback revealed that 68% of them are strongly agreed about the quality of delivery and the internal assessment for the specified programme. Some students are suggested that it would be helpful if the certification course with hands on training can be included as a part of the curriculum.

## **Feedback analysis report**

From the analysis of the student's feedback it is revealed that they are satisfied with the curriculum framed. It is reported by the students that the teaching methods are more feasible.

**CHART ANALYSIS 2013-14**

## TEACHERS FEEDBACK ON CURRICULUM

- The overall feedback on curriculum by staffs says that the college library has sufficient number of prescribed books for all the courses and for all electives for that matter.
- Book facilities and other amenities like projectors, software, leaf tops, etc are available in sufficient in the department.
- Tests and Examinations are conducted appropriately with proper coverage of syllabus in accordance to the academic schedule of the college as per Anna University plan.
- The examination report of the educators' criticism uncovers that they are exceedingly happy with the structure of the educational modules.
- The proposals given by them identified with explicit subjects were noted for further activity.

The College has made it a practice to conduct all faculty meeting, once in the starting and at the end of every semester, where the ways and means of enhancing the curriculum, academic discipline, Teaching Learning process and Research and Extension activities are discussed. During such meetings, the individual faculty members express their honest opinion on the curriculum; research and extension activities and the same would be debated and discussed. The appropriate suggestions are put forward to the respective councils for implementations. The faculty members get representations in the Board of Studies, Department Advisory Committee and Academic Council, where the staff members are getting ample opportunities to give feedback, on both curriculum and teaching learning process. Based on the feedback obtained, various industrial visits, guest lectures, value added courses, bridge courses and students workshops are organised to fill the gap in the curriculum.

### Feedback analysis report:

- The analysis report of the teachers' feedback reveals that they are highly satisfied with the framework of the curriculum.
- The suggestions given by them related to specific subjects were noted for further action.

**Alumni Survey**

**Academic Year: 2013-14**

Alumni feedback meeting was conducted for the academic year 2013-2014. The response from the alumni was overwhelming and they embraced for being in the institute for four years. They thanked the faculties for the rich knowledge that were given to them. They appreciated the efforts taken by the placement and training division in carving their career to achieve the goal. The role of ABHS was praised by some of them who had utilized the facilities provided by them. The Alumni's also remarked about the visit to NGO's once in a semester which was considered to be the most useful service to the society which they continue to practice it even today. Many of the Alumni recalled the web portal facility where all the materials needed for the preparation of exams was quite useful. Alumni's who resided in the hostel remembered the cleanliness and the facilities available in the hostel. They assured to extend their support for the overall development of the department. The overall strength and weakness of the department are summarized below.

**Strengths**

1. Motivated staff members
2. Excellent lab facility
3. Effective aptitude tests and training
4. Career guidance
5. Special care for slow learners

**Weakness**

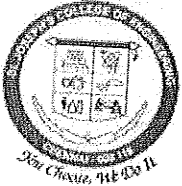

1. Mini projects should be encouraged
2. Core company placement
3. Outstation Industrial visit

**Feedback analysis report**

From the analysis the alumni were happy and proud to be part of this institute. They expressed their gratitude and support for the improvement of the college. They admired the college and would recommend to their friends and relatives.
