FEEDBACK ANALYSIS OF STAKEHOLDERS AND ACTION TAKEN REPORT (2014 -2015)

Feedback was requested from following stakeholders

S.No	Stakeholder	Count
1.	Students	60
2.	Teacher	35
3.	Alumni	86
4.	Employer	10
5.	Parents	40

Feedback Analysis of Stakeholders and Action Taken Report

S.No	Stakeholder	Feedback	Action Taken
1.	Students	Slow learners should be given extra time and care by the faculty members.	Remedial Classes are conducted for the slow learners beyond the regular working hours to render extra guidance.
2.	Teacher	Students must be encouraged to take up Internship/IPT. Students should gain hands-on training on open source softwares that are available online.	Students are insisted to take up Internship/IPT during their semester vacation. List of open source softwares and their functionalities are communicated to the students and students are encouraged to do their regular laboratory experiments with the aid of open-source softwares whenever possible.
3.	Alumni	Need special training by industry people	Value added courses are conducted for second year and pre-final year students by leading industrial experts to enrich their understanding in core areas of the stream.
4.	Employer	Many students lacked in confidence and they struggle to demonstrate their own ability. Also, the students are not involved in Group project.	Motivation talk by Alumni and Industrial experts are arranged by the Department.
5.	Parents	Computing Facility/Lab Facility needs improvement. Additional training should be provided to the students for placement drive.	Lab Infrastructure is enhanced to cater to the needs of the student community. Placement Oriented Training Programs (POP) are conducted for pre-final year students to enhance their employability skills.

Students' Feedback

The college has obtained feedback on curriculum from students through questionnaire which contains the following major aspects such as Course content & Organization, Interactive participation, Learning environment & teaching methods, Learning resource and Quality of delivery and assessment. Students gave their feedback on curriculum for the academic year 2014-2015. 78% of the students population agreed that the allocation of course content is appropriate in relation to the level of course content is very much appropriate to the programme. Majority of the students strongly agreed that the interaction by teachers with students are more feasible and reliable. Around 78% of the students agreed that they are equipped with necessary teaching methods required for their programme. It is observed that 85% of the students agreed that the provision for learning resource in library was adequate and appropriate with their respective field of specialization areas. The feedback revealed that 76% of them are strongly agreed about the quality of delivery and the internal assessment for the specified programme. Some students are suggested that it would be helpful if the certification course with hands on training can be included as a part of the curriculum.

Feedback analysis report

From the analysis of the student's feedback it is revealed that they are satisfied with the curriculum framed. It is reported by the students that the teaching methods are more feasible.

CHART ANALYSIS 2014-15

TEACHERS FEEDBACK ON CURRICULUM

- The library has sufficient number of prescribed books for all courses and for all electives for that matter.
- The examination report of the educators' criticism uncovers that they are exceedingly happy with the structure of the educational modules.
- The proposals given by them identified with explicit subjects were noted for further activity.

The College has made it a practice to conduct all faculty meeting, once in the starting and end of every semester, where the ways and means of enhancing the curriculum, academic discipline, Teaching Learning process and Research and Extension activities are discussed. During such meetings, the individual faculty members express their honest opinion on the curriculum; research and extension activities and the same would be debated and discussed. The appropriate suggestions are put forward to the respective councils for implementations. The faculty members get representations in the Board of Studies, Department Advisory Committee and Academic Council, where the staff members are getting ample opportunities to give feedback, on both curriculum and teaching learning process. Based on the feedback obtained, various industrial visits, guest lectures, value added courses, bridge courses and students workshops are organised to fill the gap in the curriculum.

Feedback analysis report:

- The analysis report of the teachers' feedback reveals that they are highly satisfied with the framework of the curriculum.
- The suggestions given by them related to specific subjects were noted for further action.

Alumni Survey

Academic Year: 2014-15

As a regular practice of our college Alumni feedback meeting was organized for the Academic year 2014-2015. The alumni members appreciated that the lab facilities available in the department are as par with Industry requirement and informed that it was very useful to complete their task in the industry. The alumini members interacted with all the faculties and gave suggestions and opinions for future developmental activities in the department. Every one viewed differently and felt proud of the campus placement training and NGO activities. They themselves contributed for the welfare activities of the faculties and students of this college. Alumini members highly encouraged with various activities with the existing students and also the existing students interacted with all the alumini members to create good relationship among themselves. The overall strength and weakness of the department are summarized below.

Strengths

1. Experienced Staff
2. Excellent Lab facilities
3. Motivation and Career guidance
4. Special care for slow learners
5. Advance planning of academic schedule

Weakness

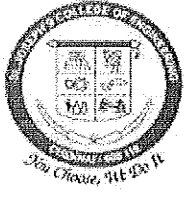

1. All India tour to be organized
2. Project based curriculum
3. Special training by industry people

Feedback analysis report

From the feedback survey 100% of the alumni were honestly proud to have graduated in this college and appreciated the management for the initiatives taken to improve the quality of education. They would refer the college to their friends and relatives.

ACTION TAKEN BY THE INSTITUTION**

Academic Year: 2014-15

S.NO	Feedback	Action Taken
1.	Mock interview and mock online tests are to be conducted.	For the pre final year and the final year students, mock interview is conducted by our staff members. AMCAT conducted online tests pertaining to placement drive.
2.	Need company specific training program.	CTS specific training program is conducted for the eligible students.
3.	An awareness of self-employment is needed among the students.	In order to create the awareness of self-employment, a series of workshops are organized by the Entrepreneurship development cell.
4.	Need to create awareness among students about the current economic and social conditions prevailing in our country	ECO SOC club is inaugurated in our college to create awareness about the current economic and social conditions.
