FEEDBACK ANALYSIS OF STAKEHOLDERS AND ACTION TAKEN REPORT (2016 -2017)

Feedback was requested from following stakeholders

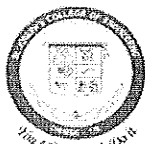

S.No	Stakeholder	Count
1.	Students	60
2.	Teacher	35
3.	Alumni	136
4.	Employer	10
5.	Parents	40

Feedback Analysis of Stakeholders and Action Taken Report

S.No	Stakeholder	Feedback	Action Taken
1.	Students	Need more Industry Interactions. Need more value-added courses.	Industrial experts/pioneers are consulted to sign MoUs to offer training programs and value-added courses for improving the student's Industrial exposure on recent trends.
2.	Teacher	Students should be well aware of Course objectives and Outcomes in the curriculum.	Course Objectives and Outcomes are explained by the faculty members and hand-outs are provided to the students to serve as a ready reckoner.
3.	Alumni	Alumni Association activities could be increased in number.	Mock Interviews are conducted by passed-out students who are holding prestigious positions in various industries.
4.	Employer	Logical Reasoning abilities and aptitude solving skills of the students are questionable. Certain students were found to be lagging behind others in the perspective oral communication. Students should learn contents beyond the curriculum in their areas of interest.	Placement Oriented Training Programs (POP) are conducted for pre-final year students to enhance their employability skills. All the second-year students are encouraged to take up Business English Certification (BEC) exam to improve their proficiency in written and oral communication NPTEL Lecture videos are screened to the students and students are motivated to enroll in the online courses of their choice and the corresponding certification exam to broaden their insight on selected areas of their will.
5.	Parents	Opportunities provided to develop leadership quality should be increased.	Personality Development Programmes are organized to impart leadership quality among students.

Students' Feedback

The college has obtained feedback on curriculum from students through questionnaire which contains the following major aspects such as Course content & Organization, Interactive participation, Learning environment & teaching methods, Learning resource and Quality of delivery and assessment. Totally 62 students gave their feedback on curriculum for the academic year 2016-2017. 74% of the students population agreed that the allocation of course content is appropriate in relation to the level of course content is very much appropriate to the programme. Majority of the students strongly agreed that the interaction by teachers with students are more feasible and reliable. Around 73% of the students agreed that they are equipped with necessary teaching methods required for their programme. It is observed that 75% of the students agreed that the provision for learning resource in library was adequate and appropriate with their respective field of specialization areas. The feedback revealed that 73% of them are strongly agreed about the quality of delivery and the internal assessment for the specified programme. Some students are suggested that it would be helpful if the certification course with hands on training can be included as a part of the curriculum.

Feedback analysis report

From the analysis of the students' feedback it is revealed that they are satisfied with the curriculum framed. It is reported by the students that the teaching methods are more feasible.

CHART ANALYSIS 2016-17

TEACHERS FEEDBACK ON CURRICULUM

- The library has sufficient number of prescribed books for all courses and for all electives for that matter.
- The examination report of the educators' criticism uncovers that they are exceedingly happy with the structure of the educational modules.
- The proposals given by them identified with explicit subjects were noted for further activity.

The College has made it a practice to conduct all faculty meeting, once in the starting and end of every semester, where the ways and means of enhancing the curriculum, academic discipline, Teaching Learning process and Research and Extension activities are discussed. During such meetings, the individual faculty members express their honest opinion on the curriculum; research and extension activities and the same would be debated and discussed. The appropriate suggestions are put forward to the respective councils for implementations. The faculty members get representations in the Board of Studies, Department Advisory Committee and Academic Council, where the staff members are getting ample opportunities to give feedback, on both curriculum and teaching learning process. Based on the feedback obtained, various industrial visits, guest lectures, value added courses, bridge courses and students workshops are organised to fill the gap in the curriculum.

Feedback analysis report:

- The analysis report of the teachers' feedback reveals that they are highly satisfied with the framework of the curriculum.
- The suggestions given by them related to specific subjects were noted for further action.

Alumni Survey

Academic Year: 2016-17

Alumni Feedback meeting was conducted for the academic year 2016-2017. More than 150 alumni were present and they were extremely pleased to express their opinion and suggestions to improve the quality of the department. 100% of the students heartily satisfied to choose this college for their undergraduate studies. They expressed their gratitude towards the college facilities such as the excellent coaching provided for placement, transportation facility provided by the college is excellent. The college excels in every area such as the career guidance, faculties has taken utmost care in guiding the students through every step of the way. The department has provided a very good platform and has shaped their future in every ways, be it discipline or technical expertise. The overall strength and weakness of the department are summarized below.

Strengths

1. Experienced teaching faculty
2. Excellent placement training
3. Career Guidance.
4. Well-equipped laboratories
5. Special coaching for slow learners.

Weakness

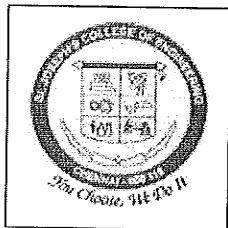

1. Outstation Industrial visit to be arranged
2. Mini projects to be part of curriculum

Feedback analysis report

From the feedback analysis report they (alumni) are proud and happy to have graduated in this prestigious institute and the measures taken by the management to excel in this field is outstanding.
