Old Mamallapuram Road, Chennai – 119
Department of Electronics and Communication Engineering

**FEEDBACK ANALYSIS OF STAKEHOLDERS AND
ACTION TAKEN REPORT (2017 -2018)**

Feedback was requested from following stakeholders

S.No	Stakeholder	Count
1.	Students	60
2.	Teacher	35
3.	Alumni	157
4.	Employer	10
5.	Parents	40

Feedback Analysis of Stakeholders and Action Taken Report

S.No	Stakeholder	Feedback	Action Taken
1.	Students	Need more Industry Interactions Need more value-added courses Need Project based laboratories	Industrial experts are invited to deliver talks on current trends and emerging areas. New set of value-added courses on Embedded Systems, IoT and Networking are offered to students. A dedicated project laboratory is established for the students to build their own prototypes.
2.	Teacher	Students should be encouraged to prefer electives that are relevant to the specialization streams and to the technological advancements. FDPs should be organised for the final year courses.	Syllabus and significance of each elective is explained to the students and motivated to prefer electives based on current technological advancements. Anna University approved Two weeks FDP is conducted for Wireless Communication course to provide a platform for the faculty members to exchange their ideas in teaching and learning process.
3.	Alumni	Core company placement need to be arranged.	Core Companies like VVDN and Robert-Bosch are invited for the placement drive.
4.	Employer	Students should improve their experiment-oriented learning skillsets.	Value Added Courses (VAC) is conducted for pre-final year students by industry experts to improve experiment-oriented learning skillsets. Students are motivated to do mini-projects in their areas of interest and are evaluated at the department level contest.
5.	Parents	Extra-curricular activities of the student should be encouraged.	Students are motivated to participate in national level contests like Smart India Hackathon and ICT Innovator Awards.

COURSE EVALUATION –FEEDBACK BY STUDENT

ACADEMIC YEAR: 2017-2018

CORE QUESTIONS	%E	%VG	%G	%S	%NS
Course content and Organization	75.5	22.83	1.67	0	0
Interactive Participation	66.33	30.33	3.33	0	0
Learning environment and teaching methods	66.92	28.92	4.12	0	0
Learning resource	81.25	17.08	1.67	0	0
Quality of delivery and assessment	73.17	22.5	4.33	0	0

Students' Feedback

The college has obtained feedback on curriculum from students through questionnaire which contains the following major aspects such as Course content & Organisation, Interactive participation, Learning environment & teaching methods, Learning resource and Quality of delivery and assessment. Totally 60 students gave their feedback on curriculum for the academic year 2017-2018. 76% of the students population agreed that the allocation of course content is appropriate in relation to the level of course content is very much appropriate to the programme. Majority of the students strongly agreed that the interaction by teachers with students are more feasible and reliable. Around 67% of the students agreed that they are equipped with necessary teaching methods required for their programme. It is observed that 81% of the students agreed that the provision for learning resource in library was adequate and appropriate with their respective field of specialisation areas. The feedback revealed that 73% of them are strongly agreed about the quality of delivery and the internal assessment for the specified programme. Some students are suggested that it would be helpful if the certification course with hands on training can be included as a part of the curriculum.

Feedback analysis report

From the analysis of the students' feedback it is revealed that they are satisfied with the curriculum framed. It is reported by the students that the teaching methods are more feasible.

TEACHER'S FEEDBACK ON CURRICULUM - ANALYSIS
Academic Year: 2017-18

Grade : 5-Excellent, 4-Very Good, 3- Good, 2- Satisfactory, 1- Not satisfactory (Use the following scale to grade the Courses)

S. No	Details	5	4	3	2	1
1.	Curriculum is based on the needs of the stake holders	57%	29%	14%	0	0
2.	Course objectives and Outcomes of the course are well defined and clear to faculty and students	43%	11%	26%	11%	9%
3.	Sufficient number of prescribed books are available in the library	71%	14%	9%	6%	0
4.	The course has good balance between theory and application.	14%	29%	17%	40%	0
5.	The course has made me interested in the subject area.	29%	11%	29%	31%	0
6.	The course has increased knowledge potential in its application	11%	51%	29%	9%	0
7.	Book facilities and other amenities like projectors, softwares etc., are available in the department	43%	43%	14%	0	0
8.	Tests and Examinations are conducted at appropriate time with proper coverage of planned units according to the college working schedule / academic schedule of anna university.	68%	26%	6%	0	0
9.	I have the freedom to adopt new techniques of teaching such as seminar presentations, group discussions, demonstration and student's participations.	6%	29%	34%	23%	8%
10.	Syllabus contain necessary technical skills for the students to face the industry needs	20%	43%	29%	8%	0
11.	The electives offered are relevant to the specialization streams and to the technological advancements.	17%	23%	35%	11%	14%
12.	The laboratory experiments enhance the students in understanding the concepts and enable them to relate theory to practice (Experiential learning).	29%	43%	17%	11%	0
13.	Facilities are provided for teaching and to adopt current trends / research.	57%	31%	6%	6%	0

CHART ANALYSIS 2017-18

TEACHERS FEEDBACK ON CURRICULUM

- The library has sufficient number of prescribed books for all courses and for all electives for that matter.
- The examination report of the educators' criticism uncovers that they are exceedingly happy with the structure of the educational modules.
- The proposals given by them identified with explicit subjects were noted for further activity.

The College has made it a practice to conduct all faculty meeting, once in the starting and end of every semester, where the ways and means of enhancing the curriculum, academic discipline, Teaching Learning process and Research and Extension activities are discussed. During such meetings, the individual faculty members express their honest opinion on the curriculum; research and extension activities and the same would be debated and discussed. The appropriate suggestions are put forward to the respective councils for implementations. The faculty members get representations in the Board of Studies, Department Advisory Committee and Academic Council, where the staff members are getting ample opportunities to give feedback, on both curriculum and teaching learning process. Based on the feedback obtained, various industrial visits, guest lectures, value added courses, bridge courses and students workshops are organised to fill the gap in the curriculum.

Feedback analysis report:

- The analysis report of the teachers' feedback reveals that they are highly satisfied with the framework of the curriculum.
- The suggestions given by them related to specific subjects were noted for further action.

Alumni Survey

Academic Year: 2017-18

An Alumni meeting was conducted for the academic year 2017-2018. A feedback survey was obtained from more than 180 alumni. Many of them felt proud to be part of the department of Electronics and Communication and extended their support for the development of the department. They appreciated the efforts taken by the college for the overall developmental activities. Special attention given to slow learners is highly remarkable. Nearly half of the students who stayed in hostel expressed the facilities offered as memorable. Regarding the quality of teaching and imparting practical knowledge they appreciated the efforts taken by each and every staff member. The training provided for placement was highly commended. The overall strength and weakness of the department are summarized below.

Strength

1. Excellent aptitude training to crack on campus and off campus interviews.
2. State of the art Lab equipment provided in college.
3. Timely transport facilities to every route in Chennai and nearby places.
4. Hygienic and tasty food provided in student mess for both day scholars and hostilities.
5. Practical Implementation of the subject is encouraged and carried out.
6. Well educated faculty pursuing research in the Engineering Field.

Weakness

1. Core company placement need to be arranged.
2. Practical training required for emerging technologies.
3. Interactive learning methods for courses beyond curriculum

Feedback analysis report

From the alumni feedback analysis it is interesting to note that all of them were proud to be part of this institution and majority of them expressed to recommend to their friends and relatives.

18	College/Department interaction with Industries	25	8	5	2	0
19	Improvement of your ward involvement in social activities	30	3	5	2	0

Bar Chart

Analysis Report

- Parents gave their suggestions to improve the intimation of periodical progress of your ward regularly.
- Internal Assessment system adopted by the college is excellent and they asked us to send the mark statement to all the parents.
- Industrial interaction need to improve further by inviting eminent industry experts.
- NGO activities of this college are excellent.

**FEEDBACK RELATED TO INSTITUTE SUGGESTED BY STAKEHOLDERS/
ACTION TAKEN BY THE INSTITUTION**

Academic Year: 2017-18

S.NO	Feedback	Action Taken
1.	Mini projects to be part of curriculum and project expo to be arranged.	Students are motivated to do mini-projects in their areas of interest and are evaluated at the department level during intra department symposium.
2.	Separate buses can be operated for the first year students.	Separate buses exclusively for first year are operated during their first year of study.
3.	Specialized soft skill training to be provided so as to compete in placement drives.	Soft skill training is imparted to enable the students gain soft skills and industry oriented expectation
4.	Industrial visit to leading organization can be arranged.	Industrial visits are arranged to leading organizations like NLC,ISRO etc.
5.	Class notes needed for slow learners.	Typed notes for all the subjects are given to students with less than three arrears
