FEEDBACK ANALYSIS OF STAKEHOLDERS AND ACTION TAKEN REPORT
ACADEMIC YEAR 2014-2015

S.No	STAKEHOLDERS	Feedback	Action Taken
1.	Students	Slow learners should be taken extra care by the faculty members.	Special classes have been conducted beyond the regular working hours to give extra guidance to the slow learners
		Real time exposure to industries is required.	Industrial Visits to companies like NLC, IGP Engineers Ltd., Jeppiar Steels have been arranged.
2.	Faculty	Students need to gain hands on experience on various design softwares such as Ansys, CFD	Courses on Softwares like CATIA, CFD have been conducted for interested students
3.	Alumni	More internship facilities are to be made available to students for better industrial exposure.	In-plant training / Internship in companies like Ford, Ashok Leyland have been arranged with request from the department.
4.	Employer	Logical reasoning abilities and aptitude solving skills of the students need to be improved.	Placement orientation programs have been conducted for pre final year students to improve their employability skills.
5.	Parents	Research based teaching can be implemented to make the students to know about latest developments in their Area of interest.	Department organized seminars by industrial experts, alumni to provide exposure in various research fields.

Student's Feedback:

The College has obtained responses from both Quantitative and Qualitative data which indicated from moderate to high levels of satisfaction in the Quality of teaching and learning methodology, Course content & organization, Quality of delivery & Assessment. Many responses showed that students felt their teachers were/are knowledgeable, skilled, enthusiastic, committed, and prepared. Comments were also typically made concerning teacher's willingness and ability to employ effective teaching methods and incorporate various learning materials, resources and technologies into teaching that enhances student learning. Students reported that the resources in library is adequate and appropriate in their area of specialization. Students also reported that teachers provide prompt and comprehensive feedback on their academic work, treat students in a symbiotic manner, and are available when students require assistance.

Feedback Analysis Report:

- From the Analysis of student's feedback, it is confessed that they are fulfilled with the curriculum framed
- It is reported that teaching methodology is more comfortable for them.
- Presentation and communication skills of students have to enhanced

Teacher's Feedback on Curriculum:

The College has made a practice to collect Teacher's feedback on various aspects such as curriculum, teaching and learning process, expectation of the industries, student placement, research and extension activities by conducting meetings once in start of the semester. Teachers are free to express their true opinion on all the above mentioned points. Based on the feedback obtained, Industrial visits, Value added courses, Guest lectures and student workshops are organised.

Feedback Analysis Report:

- The analysis showed that the teachers are fully satisfied with the framework of the curriculum.
- Suggestions given by teachers related to their subjects are noted down for further action.
- Students need to gain hands on training on various design software such as Ansys, CFD

Alumni Survey

Academic Year: 2014-15

Alumni feedback was obtained from nearly 150 alumni for the academic year 2014-15. The college believes that the contribution of alumni is essential particularly in the development of the curriculum related activities. The feedback from the alumni reveals that all of them feel proud to be a part of the institution and are willing to contribute to the development of the institution. Majority of alumni rated the developmental activities rendered by the college for their overall Development as highly efficient. Regarding the residential facilities, most of them who were in hostel rated that the food and accommodation facilities as highly efficient. Student teacher relationship was rated as highly efficient. While expressing their view on the career guidance and counselling as well as placement cell, all of them agreed that ample on campus and off campus opportunities were provided. The overall Report of the department from the alumni are summarized below.

Strength:

- Well Furnished lab facilities
- Well Qualified Faculty members
- Good Placement Training
- Good Feedback on industrial Visits and Guest Lectures Organized
- Exposure to Industries was good

Weakness:

- Need more reference books in book bank
- Additional industrial Visits will be supportive

Feedback Analysis Report:

- From the alumni feedback analysis report, it is evident that most of the alumni are happy and proud to be a part of this institution and they agreed that they would recommend their friends and relatives to enroll in this institution.
- It is Appreciated by the Alumni that the measures taken by the college to fulfill the need of the students are up to their requirements.

Analysis Report:

The feedback report showed that the parents are completely satisfied with the infrastructure of the college. It also proves that they are satisfied with the curriculum and knowledge transferred to their wards.

Feedback:

- Value added courses on the recent trends can be added.
- Placement to be provided in core companies.
