FEEDBACK ANALYSIS OF STAKEHOLDERS AND ACTION TAKEN REPORT

ACADEMIC YEAR 2015-2016

S.No	STAKEHOLDERS	Feedback	Action Taken
1.	Students	Students suggested to form a group to participate in national level Automotive events such as BAJA, SUPRA, etc	A Group of students has been selected and guided to form a team and participate in the Event SUPRASAE with two faculty-mentors.
2.	Faculty	Assignments on additional topics can be given to the students to improve the knowledge in core subjects.	Assignments on additional topics have been given on important subjects for the students to explore in detail.
3.	Alumni	Alumni suggested that they may be invited to the campus to interact with the students to update about the challenges being faced in the industry.	Department has arranged series of lectures by alumni so as to enable the students to know about the latest technologies and current scenario in industry
4.	Employer	In-plant training can be made compulsory for students to gain knowledge on industry scenario.	Students were insisted to undergo in-plant training during their vacation compulsorily and to submit and review the report.
5.	Parents	Parents felt that the students are less exposed to competitive exams.	Suggestions to conduct GATE coaching for interested students in third and final year have been forwarded to the Academic council.

Student's Feedback:

The College has obtained responses from both Quantitative and Qualitative data which indicated from moderate to high levels of satisfaction in the Quality of teaching and learning methodology, Course content & organization, Quality of delivery & Assessment. Many responses showed that students felt their teachers were/are knowledgeable, skilled, enthusiastic, committed, and prepared. Comments were also typically made concerning teacher's willingness and ability to employ effective teaching methods and incorporate various learning materials, resources and technologies into teaching that enhances student learning. Students reported that the resources in library is adequate and appropriate in their area of specialization. Students also reported that teachers provide prompt and comprehensive feedback on their academic work, treat students in a symbiotic manner, and are available when students require assistance.

Feedback Analysis Report:

- From the Analysis of student's feedback, it is confessed that they are fulfilled with the curriculum framed
- It is reported that teaching methodology is more comfortable for them.
- Students suggested to form a group to participate in national level Automotive events such as BAJA, Supra, etc

Teacher's Feedback on Curriculum:

The College has made a practice to collect Teacher's feedback on various aspects such as curriculum, teaching and learning process, expectation of the industries, student placement, research and extension activities by conducting meetings once in start of the semester. Teachers are free to express their true opinion on all the above mentioned points. Based on the feedback obtained, Industrial visits, Value added courses, Guest lectures and student workshops are organised.

Feedback Analysis Report:

- The analysis showed that the teachers are fully satisfied with the framework of the curriculum.
- Suggestions given by teachers related to their subjects are noted down for further action.
- Assignments on additional topics can be given to the students to improve the knowledge in core subjects.

Alumni Survey

Academic Year: 2015-16

Alumni feedback was obtained from nearly 150 alumni for the academic year 2015-16. The college believes that the contribution of alumni is essential particularly in the development of the curriculum related activities. The feedback from the alumni reveals that all of them feel proud to be a part of the institution and are willing to contribute to the development of the institution. Majority of alumni rated the developmental activities rendered by the college for their overall Development as highly efficient. Regarding the residential facilities, most of them who were in hostel rated that the food and accommodation facilities as highly efficient. Student teacher relationship was rated as highly efficient. While expressing their view on the career guidance and counselling as well as placement cell, all of them agreed that ample on campus and off campus opportunities were provided. The overall Report of the department from the alumni are summarized below.

Strength:

- Well Furnished lab facilities
- Well Qualified Faculty members
- Good Placement Training
- Good Feedback on industrial Visits and Guest Lectures Organized
- Exposure to Industries was good

Weakness:

- VAC selection should be given as per student interest

Feedback Analysis Report:

- From the alumni feedback analysis report, it is evident that most of the alumni are happy and proud to be a part of this institution and they agreed that they would recommend their friends and relatives to enroll in this institution.
- It is Appreciated by the Alumni that the measures taken by the college to fulfill the need of the students are up to their requirement.
