**FEEDBACK ANALYSIS OF STAKEHOLDERS AND ACTION TAKEN REPORT**  
**ACADEMIC YEAR 2016-2017**

S.No	STAKEHOLDERS	Feedback	Action Taken
1.	Students	Need more clarity on explanation for few subjects.	Concerned teachers have been instructed to take efforts to make their teaching more effective.
2.	Faculty	Departmental activities and action plans may be focussed to bridge the gap in the curriculum identified by the subject experts.	Academic audit has been conducted in the department level, and the inputs received were taken forward to be implemented in BOS meetings in university.
3.	Alumni	Training on programming skills can be arranged for the students.	Courses on CFD, Ansys have been conducted by eminent personalities from industries to improve the programming skills
4.	Employer	Employers generally felt that communication skill are good with our students and require improvement in technical knowledge	Students were apprised on the need of improving technical knowledge by arranging special coaching on technical topics in last stage of the Placement orientation programme
5.	Parents	Parents are satisfied with the infrastructure of the college, the curriculum and knowledge transferred to their wards.	The positive feedback has been conveyed to the department for encouragement and to take measures to sustain the status in future years also.

**Student's Feedback:**

The College has obtained responses from both Quantitative and Qualitative data which indicated from moderate to high levels of satisfaction in the Quality of teaching and learning methodology, Course content & organization, Quality of delivery & Assessment. Many responses showed that students felt their teachers were/are knowledgeable, skilled, enthusiastic, committed, and prepared. Comments were also typically made concerning teacher's willingness and ability to employ effective teaching methods and incorporate various learning materials, resources and technologies into teaching that enhances student learning. Students reported that the resources in library is adequate and appropriate in their area of specialization. Students also reported that teachers provide prompt and comprehensive feedback on their academic work, treat students in a symbiotic manner, and are available when students require assistance.

**Feedback Analysis Report:**

- From the Analysis of student's feedback, it is confessed that they are fulfilled with the curriculum framed
- It is reported that teaching methodology is more comfortable for them.
- Need more clarity on explanation for few subjects.

**Teacher's Feedback on Curriculum:**

The College has made a practice to collect Teacher's feedback on various aspects such as curriculum, teaching and learning process, expectation of the industries, student placement, research and extension activities by conducting meetings once in start of the semester. Teachers are free to express their true opinion on all the above mentioned points. Based on the feedback obtained, Industrial visits, Value added courses, Guest lectures and student workshops are organised.

**Feedback Analysis Report:**

- The analysis showed that the teachers are fully satisfied with the framework of the curriculum.
- Suggestions given by teachers related to their subjects are noted down for further action.
- Evaluation of departmental activities and action plans may be implemented with subject experts to improve the curriculum.

**St. Joseph's College of Engineering  
OMR, Chennai  
Department of Mechanical Engineering**

**Strength:**

- Placement Training programs.
- Dedicated Staff
- Good Hostel facilities.
- In plant training was more useful in gaining the knowledge.
- Has good exposure to scenarios in industries.

**Weakness:**

- Need more core companies to visit the college of placement.

**HOD/MECH**

**Alumni Survey**

**Academic Year: 2016-17**

Alumni feedback was obtained from nearly 150 alumni for the academic year 2016-17. The college believes that the contribution of alumni is essential particularly in the development of the curriculum related activities. The feedback from the alumni reveals that all of them feel proud to be a part of the institution and are willing to contribute to the development of the institution. Majority of alumni rated the developmental activities rendered by the college for their overall Development as highly efficient. Regarding the residential facilities, most of them who were in hostel rated that the food and accommodation facilities as highly efficient. Student teacher relationship was rated as highly efficient. While expressing their view on the career guidance and counselling as well as placement cell, all of them agreed that ample on campus and off campus opportunities were provided. The overall Report of the department from the alumni are summarized below.

**Strength:**

- Well Furnished lab facilities
- Well Qualified Faculty members
- Good Placement Training
- Good Feedback on industrial Visits and Guest Lectures Organized
- Exposure to Industries was good

**Feedback Analysis Report:**

- From the alumni feedback analysis report, it is evident that most of the alumni are happy and proud to be a part of this institution and they agreed that they would recommend their friends and relatives to enroll in this institution.
- It is Appreciated by the Alumni that the measures taken by the college to fulfill the need of the students are up to their requirements.
