

The Department of Biotechnology St. Joseph's College of Engineering

The Department of Biotechnology at St. Joseph's College of Engineering was established in 2002, accredited by National Board of Accreditation, New Delhi and recognized as Scientific and Industrial Research Organization (SIRO) by Department of Scientific and Industrial Research (DSIR), Government of India.

The Biotechnology Department offers courses such as B.Tech (Biotechnology), M.Tech (Biotechnology) and research programme leading to Ph.D.

The department is equipped with qualified doctorates in the field of engineering, technology and experienced supporting staff. Our department has made strides in its infrastructural facilities worth more than 1.5 crore investment for both teaching and research activities.

In the past years, we had organized four such workshops and one short term training programme sponsored by department of biotechnology, government of India. Our department has received Rs. 1.0 crore worth research projects sponsored by AICTE, Department of Science and Technology, Department of Biotechnology, Government of India.

The department has MOU's with significant organizations. The academic performance of our department has been par excellence by producing top university ranks and distinctions.

The department has bagged 131 Anna University Ranks which includes 9 Gold medals since inception. The department has got a good placement record. Department has taken great strides in the fields of impartation of knowledge on biotechnology by organizing conferences, seminars, workshops and short-term courses. As a department with a broad range of expertise, and fully conscious of social responsibility, it is ready to play a full part in exploring the future – safely and creatively.

Celebrating 25 Years of Excellence

Organizes

Short Term Training Program on
**Prospects and Challenges in
Biofuels and Bioenergy
(STTP-PCBB 2019)**

11-16th November 2019

Sponsored by

All India Council for Technical
Education (AICTE, New Delhi)

In association with Student Chapters of
The Biotech Research Society, India
Indian Society for Technical Education

Chief Patron:**Dr. B. Babu Manoharan** MA, MBA, Ph.D.

Chairman

St. Joseph's Group of Institutions

Patrons:**Mrs. S. Jessie Priya** M.Com.,

Managing Director

St. Joseph's Group of Institutions

Mr. B. Shashi Sekar M.Sc.,

Director

St. Joseph's Group of Institutions

Chairs:**Dr. Vaddi Seshagiri Rao** M.E., MBA., Ph.D.

Principal

Dr. B. Parvatha Varthini M.Sc., MBA, M.E., Ph.D.

Dean (Research and PG)

Co-Chairs:**Dr. G. Sreekumar** M.Sc., M.Tech., Ph. D.

Professor & Head.,

Dr. Renuka Viswanathan M.Tech., Ph. D.

Professor

Convener:**Dr. G. Baskar** M.Tech., MBA., Ph.D., FIE.,

Professor

About the STTP

This Short Term Training Program on Prospects and Challenges in Biofuels and Bioenergy (STTP-PCBB 2019) is mainly focused on technological development in the areas of biodiesel, bioethanol, biogas, biohydrogen, energy from microbial fuel cell and other renewable bioenergy for better environment and benefit of society for global prosperity. We assure that this will make an impact on making the world more sustainable, in improving flora, fauna and in raising the quality of life for millions of people around the world.

Plenary and Invited Lectures:

This STTP will include invited lectures from eminent scientists and academicians leading educational institutions and research organizations, and practical demonstration of various biofuels production technology.

Participants:

The Faculty members, Research scholars, and Scientist are invited to attend this STTP. Accommodation will be provided in the college hostel for outstation candidates on request.

Registration Fee:

Registration fee of Rs.500 per participant in the form of Demand draft (DD) in favor of "St. Joseph's College of Engineering", Payable at Chennai.

Important Dates:

Last date for registration : 12.10.2019

Date of Intimation : 14.10.2019
