

JETSIGNUM, a national level technical student's symposium has been conducted by the Department of ECE since 1998. Various technical and non-technical events are designed and conducted by our students. Prize winners of various educational institutions are encouraged with certificates and prize money. Student members of OSA and IEEE chapters are also actively participating and organizing various events. To bring out the unique talents, the Intra-department symposium was conducted on **22-07-2015**.
