	312317106103	MONICA S	B		Good in Technical skills. Concentrate on behavior questions	<ul style="list-style-type: none"> Very good confidence, great effort on preparation for interview. Should work on Team skills and behavioral skills
	312317106105	MOSES MARIA BRIGHT	B		Improve Programming skills Elaborate your answer.	<ul style="list-style-type: none"> Great attitude and confidence. Should work a little on communication skills
	312317106108	NANCY V	B		Improve programming skills.	<ul style="list-style-type: none"> Needs more technical preparation , lacked confidence. Amazing communication skills and open minded candidate
	312317106110	NANDHINI P	B		Be confident. Concentrate on programming language.	<ul style="list-style-type: none"> Good confidence and attitude. Did well in behavioral questions. Need more preparation for technical questions
	312317106142	RANJITH RAJ BASKARAN	C		<ul style="list-style-type: none"> Need to develop Technical Skill Resume must be updated with project details 	Need to improve on technical skills - basics, Resume and confidence

Panel No.	Register No.	Name of the Candidate	Section	Interview Panel Members	Staff Feedback	Alumni Interviewer Feedback
2	312317106144	RITHIKA BASKAR	C	Staff Incharge: Dr. P. LATHA	<ul style="list-style-type: none"> Need to develop Technical Skill Resume must be updated with project details 	<ul style="list-style-type: none"> Should identify the area of interest, Need to improve on technical and programming knowledge, Need to spend more time for preparation. Focus more on tell me about yourself, project details etc.
	312317106146	ROHIT KUMAR R P	C	Interviewer: Mr. ALLEN PAUL DEVAPRASATH	<ul style="list-style-type: none"> Basics from technical subjects need to learn. 	<ul style="list-style-type: none"> Very good in programming skills, Need to improve on basic electronics related questions, Resume format is good, try to make it short.
	312317106147	ROSHINI GOVINDARAJAN	C		<ul style="list-style-type: none"> Presenting yourself should be good and improved. Basic concept In your area of interest must be improved Resume need to be updated with project details 	<ul style="list-style-type: none"> Need to spend more time for preparation. Need to focus more on programming and technical skills. Be confident and greet the interviewer. Identify your area of interest. Resume format is okay, add project details.
	312317106149	RUPINI DHWARITHA SHYAM KUMAR	C		<ul style="list-style-type: none"> Study more concepts in your area of interest and basic concept in electronics subjects. Project details should be incorporated in your resume. Develop Programming skill and communication skill 	<ul style="list-style-type: none"> Resume format is good, add details to internship, add projects. Identify your area of interest, need to focus on technical and programming skills. Study the basics.
3	312317106097	MADHUMITA S	B	Staff Incharge: Dr. S. VINAYAGAPRIYA	Good. Modify your resume. No need to underline the sentence in resume.	<ul style="list-style-type: none"> Madhumita S is a good candidate. Her resume was good, and was very clear for what role she was applying for. Though it was generic, I advise her to make her resume stand out from the crowd by searching better templates and showcasing exactly what the job descriptions says.
	312317106100	MARIO DOMINIC FERNANDEZ	B	Interviewer: Mr. SUHAS ANJAN	<ul style="list-style-type: none"> Need to concentrate on subjects. Improve your Personality. 	<ul style="list-style-type: none"> Mario is an excellent and a competent student. He was confident in answering my questions and was very honest with

Panel No.	Register No.	Name of the Candidate	Section	Interview Panel Members	Staff Feedback	Alumni Interviewer Feedback
						<p>the interviewer, a skill that many candidates lack.</p> <ul style="list-style-type: none"> Besides his poor constructed resume, I would select him for his personality and communication skills.
	312317106101	MATHESH.M	B		<p>Must prepare well. Concentrate on projects.</p>	<ul style="list-style-type: none"> Mathesh is one of a kind. Given his personality and communication skills, he is well versed with technical aspects of his area of interests. My advice for him to stand out would be to practice more with speaking as he stutters sometimes and his Body language should prove that he is confident. Dressing sense needs improvement.
4	312317106111	NASHITA S	B	<p>Staff Incharge: Dr. I. Johnsi Stella</p> <p>Interviewer: Mr. SUHAS ANJAN</p>	<p>Very good Very Confident</p>	<ul style="list-style-type: none"> The student is proficient overall. She needs to be careful what resume she shares with the interviewer. She shared a wrong resume with me which shows that she's careless and may get rejected.
	312317106112	NAVEENA K	B		<p>Satisfactory Confident</p>	<ul style="list-style-type: none"> At the start of the interview, the candidate lacked confidence and was often scared to answer questions though she answered them really well. She needs to grasp the basics of the subject in which she has an interest in. When asked about Microprocessor instruction set for 8086, she stuttered and did not respond correctly. Other than this, she's good. I would have selected her if she had been very confident in herself.
	312317106113	ROSHAN NEELMEGAM	B		<p>Good Confident</p>	<ul style="list-style-type: none"> Roshan was a good candidate, I would have selected him if his Resume was clear. The resume template used was cluttered and needs a lot of work.
