

# NGO Activities

## MBA Department

NGO activities helps to bring out the hidden potentials of the students, to understand the societal imbalance, to serve the needy people, and to make them socially responsible leaders.

Our students' visits to orphanages, old-age homes and homes for CP children had given them an exposure to the lifestyle of the down trodden which would motivate them to do something for the society which is the need of the hour for our country's development.

All the students of the MBA department enthusiastically participate and mingle with the inmates of home and spend the days time with them and share their happiness. Students spend their pocket money in a useful manner by offering the needy things like rice bags, groceries, toys, clothes, pillows etc. for the inmates.

Our college offers special lunch (both vegetarian and non-vegetarian (with sweets, savouries and ice-creams) to all the inmates of the orphanages and old age homes. Students are provided with transport facilities to visit the homes on activity Saturdays.
